

## Gas Sensor Technology & Application Conference

Organized by: Sensors and IoT Industry Association

SENSOR CHINA

Time: Sep. 13 2017, Shanghai

Venue: 3F, Shanghai Convention & Exhibition Center of International Sourcing

Scale : 150

Agenda		
Time	Presentation Title	Speaker
Host : Tongji University Prof. Wang Lei		
09:00-09:20	Registration	
09:30-09:50	Gas Sensor Technology Developments and Applications	Prof. Wang Lei Tongji University
09:50-10:10	Indoor Air Quality Detection Sensor and Its Application	Lv Jing Chairman of Multi IR
10:10-10:30	Laser Gas TDLAS Detection Technology and Its Application	Wang Biao Researcher, Changchun Institute of Optics, Fine Mechanics and Physics
10:30-10:50	Gas Sensor Industry Development Opportunities	Wu Chuanwei Chief director, Zhengzhou Winsen Electronics Technology Co., Ltd.
10:50-11:10	TBD	UST
11:10-11:30	TBD	Ni Ruohui GM, SGX
11:30-12:00	Q&A	

\*Agenda subject to change.
